| Justin Osserman | Regional Sales Specialist | +1-347-256-3311 | josserman@vmware.com |
| Cody Arthur | Business Development Representative | +1-707-329-4407 | codya@vmware.com |

## 2.4. Troubleshooting Vmware / Avi

### 2.4.1. Overview

Installation was simple but we had an issue where the SE would not deploy to vSphere.

#### Requirements

vSphere will need to have port 22 open in order for Avi Controller to deploy the Service Engine (SE)
